SOUVENIR COLLECTION 01588

Dear Customer:

Thank you for your interest in our Souvenir Collection Catalog featuring our sizeable selection of quality souvenirs and collectibles that we have been producing for over 60 years.

We specialize in developing custom designed pewter emblems with your logo or theme. Just choose your collection (emblem size), submit your logo or design ideas, and we'll take care of the rest. We'll create the artwork, and upon your approval we'll make a sample that you'll approve prior to production of your order. Our minimum order of 360 pieces per collection, and 12 pieces per item are the most reasonable in the industry. Please refer to page 24 for details, or give us a call if you have any questions—we're here to help.

As high quality souvenirs are a tradition with us, every order is backed by our guarantee of prompt delivery and superior service. We welcome the opportunity to supply your store with quality souvenirs.

Sincerely,
